Upon C.H. Moore's crypt, the stone carver chiseled the numerals 1817-1901. Those were the bookends of Moore's life...but what do we know of the story?

C. H. Moore.
During his lifetime, Moore was a farmer's studious son; a young lawyer with little money but great ambition; an early resident of Clinton; a land speculator and landlord; friend, law partner and political supporter of Abraham Lincoln; community benefactor; and, later in life, a respected elder. He was also a husband, a father, a brother, a friend. Join us as we share his remarkable story.

Admittance to this special event will be by ticket only.

**Tickets can be purchased for \$7.50 each
